Createspace Independent Publishing Platform, United States, 2015. Paperback. Condition: New. Language: English. Brand new Book. In today's world, very little is sure for us financially. We could be let go from our jobs at any moment, and if we're currently without a job, there's no guarantee that we'll get one anytime soon. Living in that constant state of insecurity can't be healthy for us, and it surely isn't healthy for our financial lives. However, you might be thinking, "How can I alleviate my financial worry?" The truth is that we have to look into alternate -not illegal - forms of gaining income. One such form of generating a steady revenue stream is investing. You've probably thought about investing before. Have you thought about investing but didn't know where to start? Do you need expert advice on how to invest so that you can secure a healthy financial future for you and your family? Are you looking for a guide that can teach you how to take action today in the investing world to start making money? It's hard to find reliable information out there; that's why I, Scott Thomas, have put together **A Beginner's Investing Guide: Learn The Strategies To Smart Investing And Start Making Real Money**, to help you secure a future for yourself. I've decades of experience in the investing world, with hundreds of thousands of dollars in successful returns. I've penned this book so that the average person can achieve monumental success, just like I have. My book will provide you with clear, concise information that's easy to apply. By the time you're done, you'll have a fundamental knowledge of investing, and be equipped with all the information you need to make forward bounds in this field. It will be like going on a walk with a...
